

Invest on Insula Token and/or on Insula Token Liquidity Pool:

To access Insula Investment Products:

- **Desktop:** copy paste the links below into your Google Chrome browser with Metamask extension opened & follow the instructions.
- **Mobile:** copy paste the links below into your Metamask App browser (1-Click top left-hand corner burger menu button 2-Click “browser”) & follow the instructions.

Insula Token (ISLA):

Instructions:

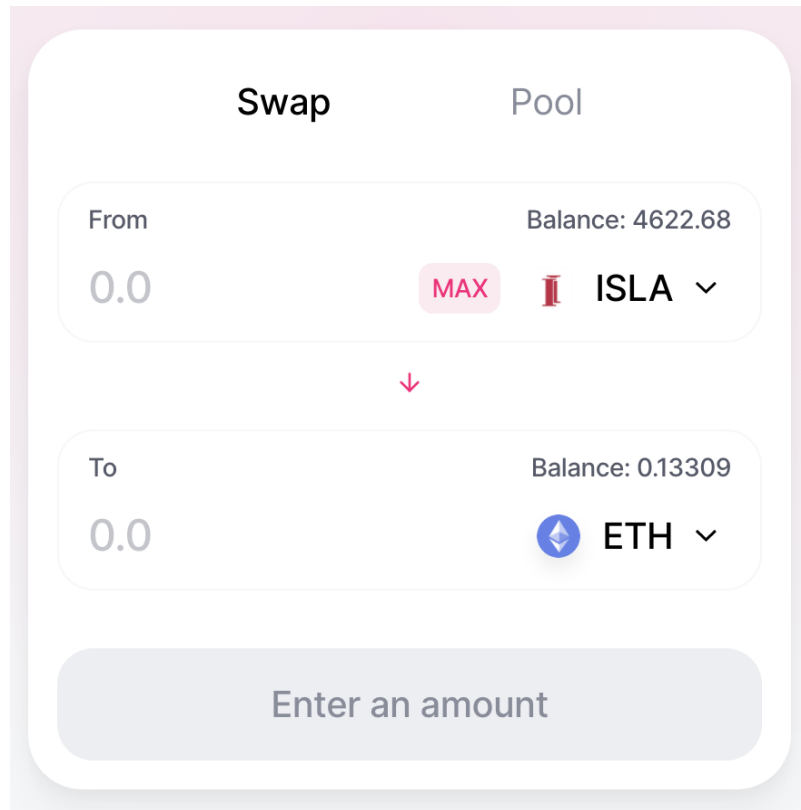

- 1- Copy paste this link into your browser:

<https://app.uniswap.org/#/swap?inputCurrency=0x697ef32b4a3f5a4c39de1cb7563f24ca7bfc5947>

If ISLA does not show up, click "import token" and copy paste this address:

0x697ef32b4a3f5a4c39de1cb7563f24ca7bfc5947

2- When prompted, *import* “Uniswap default list”, *approve* ISLA & *swap* ISLA.

The image shows the Uniswap Swap interface. At the top, there are two tabs: "Swap" and "Pool". Below the tabs, there are two input fields. The first field is labeled "From" and has a balance of 4622.68. It contains the value "0.0" and a "MAX" button. The second field is labeled "To" and has a balance of 0.13309. It contains the value "0.0" and a dropdown menu showing "ETH". A red arrow points from the "From" field to the "To" field. Below the input fields, there is a button labeled "Enter an amount".

Invest in the ISLA/ETH Pool:

Instructions:

1- Copy paste this link into your browser:

<https://app.uniswap.org/#/swap?outputCurrency=0x697ef32b4a3f5a4c39de1cb7563f24ca7bfc5947>

If ISLA does not show up, click "import token" and copy paste this address:

0x697ef32b4a3f5a4c39de1cb7563f24ca7bfc5947

2- When prompted:

- **Import** “Uniswap default list”
- **Approve** ISLA
- **Swap** 40% of your ETH balance against ISLA.

3- Copy paste this link into your browser / or simply *click* “Pool”:

<https://app.uniswap.org/#/add/0x697ef32b4a3f5a4c39de1cb7563f24ca7bfc5947/ETH>

4- Type the desired amount of ISLA & ETH to be added to the pool & click “*Add Liquidity*”.

The screenshot shows the Uniswap 'Add Liquidity' interface. It features two input fields: the first for ISLA with a value of 10000, and the second for ETH with a value of 11.739. Below these inputs is a section titled 'Prices and pool share' containing a table with three columns: 'ETH per ISLA', 'ISLA per ETH', and 'Share of Pool'. The values in the table are 0.00117391, 851.856, and 25.32% respectively.

| Prices and pool share | | |
|-----------------------|--------------|---------------|
| 0.00117391 | 851.856 | 25.32% |
| ETH per ISLA | ISLA per ETH | Share of Pool |
