a. Visit Insula support homepage:

b. Free support:

If you are not a customer yet / do not have an active Insula Premium license.

- Read our FAQ.
- Ask an open question in Insula Telegram Chat.
- Contact us via our Tidio bot on our website.
- Google it!

c. Paid Premium support:

If you are a paying Insula Premium customer:

For specific client requests we created a dedicated Insula Premium service for clients willing to gain access to enterprise grade support that gives higher priority to support issues.

Response time will be significantly less and you will be able to chat live with support experts via video-chat and screen share.

Insula Premium acts as a personal advisor for Insula Funds investors, and much more.
